

ORGANISATIONAL PSYCHOLOGY AND HUMAN BEHAVIOUR DIPLOMA

PROGRAMME OVERVIEW

The most effective leaders and managers understand human behaviour and know how to apply this appreciation to supporting and motivating colleagues and teams. The Organisational psychology & people behaviour diploma from Cardiff Institute of the United Kingdom has been designed to equip you with these critical psychological capabilities and help you to move your career to the next level. The knowledge and skills you will learn are applicable across a wide range of professions and disciplines, from human resources to education and educational leadership, to marketing management and market research.

- Tool of managing team.
- Leadership psychology.
- Organisational Change psychology.

MODULES FOR STUDY

- Strategic Management
- Leadership People & Change
- Foundation of Human Psychology
- Foundation of Organisational Psychology
- Organisational Psychology into Practice

DIPLOMA DESIGNED FOR CAREER SUCCESS:

Rather than being a training diploma for psychologists, this diploma helps you apply psychology to broader professional contexts. It provides a deeper appreciation of what makes your colleagues and customers tick and how you can influence their behaviours to deliver positive outcomes.

ORGANISATIONAL PSYCHOLOGY AND HUMAN BEHAVIOUR DIPLOMA

Our extensive relationships with major employers have helped shape a diploma specifically geared towards career enhancement in a wide range of professional and management roles across the public and private sectors.

EARNING THE CERTIFICATE:

You earn a Cardiff Institute of the United Kingdom certificate of achievement in Organisational Psychology and Human Behaviours diploma.

ADMISSION AND APPLICATION:

This postgraduate diploma is designed for graduates from any field with a minimum of 2 years prior work experience.

If the rest of your application meets our standards, we can make you an Acceptance Letter for a place in the programme.

These letters will be lifted once you have obtained and sent us the required documentation.

DIPLOMA NEXT STEP:

After completing the diploma, you can reach our Executive MBA programme in Organisational Psychology.

DIPLOMA DURATION;

6 Months
